

What's New for 2010-11?:

- Our brand new Ram Report magazine will now be mailed to RAF Members five times throughout the year.
- Student-athletes will be assigned to a donor at the beginning of each academic year. Donors will then be invited to a special banquet where they will meet their respective student-athlete.
- We will now have a Basketball tip-off reception where donors will have a first-hand opportunity to listen to our coaches provide insight on the upcoming Men's and Women's Basketball season.
- We will be starting an annual RAF donor trip where donors are invited to take a trip with the Athletic Department to a select game, each Men's Basketball season.
- Donors will receive benefits based on amount donated the previous year. By making this change it will allow the RAF to:
 - Provide benefits based on donations not pledges.
 - Will allow for ticket upgrades to be processed earlier.
 - Allow VCU Athletics to accurately budget for donor benefits for the upcoming fiscal year.
 - Expedite our ability to provide and assign benefits at the beginning of the academic year.
